LAO PDR Government and HMONG CHAOFA Indigenous Resistance Clash in Xaysombun Special Zone, Phou Bia Mountain, North-Central Laos

For Immediate Release

MINNEAPOLIS/EWORLDWIRE/April 28, 2010 --- On April 24, 2010, around 2:30 p.m. Lao time, Northeast of Mountain Phou Bia, Xaysombune Special Zone inside sources reported that there is very heavy fighting. The Lao PDR invaded Hmong Indigenous territories. Weapons used included 60 MM, 40MM, and DKA 81, and missiles were fired from helicopter at Hmong Indigenous citizens.

Reports also indicated that Vietnamese soldiers accompanied Lao PDR soldiers in this invasion. The Vietnamese Battalion is from Mong Mot Province, and it is now stationed in Phankini-Nam Xay, Pha Kao Province.

In 2005, 30 years later after the Vietnam War ended, Vietnamese soldiers' passports were seized at the Zone supporting the Lao PDR aggression against the Hmong.

The government of Laos and Vietnam have violated the mercenary statutes of the U.N. conventions, and the Vietnam Paris Peace Accord 1973, Chapter VII Article 20.

Hmong Indigenous leaders call upon the international community - the European Union, the United Nations, the United States, and China - to review the Lao PDR actions, violations and aggression against the Hmong Indigenous' social, cultural and economic rights and concerns. Leaders of the Hmong Indigenous are calling upon the international recognition of their plight.

A recent confiscated Lao document confirming intent to eliminate Hmong at the Zone is as follows:

THE LAO PEOPLE'S DEMOCRATIC REPUBLIC
PEACE INDEPENDENCE DEMOCRACY UNITY AND FIRM

The Lao People's Army NO. 131

Department of Armed Forces, Statistic from Luang Phrabang Province

Operation Order

- Based on the plan and the decree of the Department of Defense of the Lao People Democratic Republic notice number 125 on May 3, 2005.
- Based on the planning of Luang Phrabang Province made and be complied.

I, Mr. Kham Onh Chittamee of the coordinating Regiment of Luang Phrabang, decree to all parties - including all troops of soldiers in the Province of Luang Phrabang - that we must unify strongly against our enemy since the government plan commanded that between 2005-2015 to eradicate all right-wing American Vang Pao who have been residually camouflaging in the Lao jungles. These people must be terminated prior to 2015-2020 from Laos.

The American C.I.A. Hmong, together with their offspring forgotten by the Americans, shall be wiped out immediately. After 2020, not one of them will be alive nor will the they fight a secret war. Therefore, I command all of our parties in Luang Phrabang province to carry out this order from now.

Luang Phrabang 20 May 2005

The United Nations was created in January 1941 in the vision of Franklin D. Roosevelt for peace and security for all nations and peoples. It was founded as recognition of the importance of the security of all human beings, and the rights to have freedom and liberty as a nation and people. All citizens live and carry his vision through to today.

The Lao PDR does not recognize the rights of others. It discriminates against the ChaoFa Hmong people and their cultural, social, and religious rights. The Regiment of Luang Phrabang, Mr. Kham Onh Chittamee, declared on May 20, 2005, to wipe out all ChaoFa Hmong and their offspring immediately or before the year 2020, and no one shall be alive there after the year 2020.

To date, the Lao PDR government continues to violates U.N. Charters, Conventions, and its Protocols, and the government ignores international interventions and visitations. The Lao PDR is responsible for committing mass crimes against humanity.

Over 250,000 people, civilians and innocent Hmong Indigenous and their children - are belived to have lost their lives since 1975 as a result of Lao military clashes in the Hmong Indigenous territories.

The civilian lives of Laotians are as important as the civilian lives of the Hmong Indigenous, and the Lao PDR government must recognize the safety of civilians of both nations and people in accordance with the Geneva Convention IV of 12 August 1949.

Hmong Indigenous leaders and the Congress of World Hmong People urge the international community to take this matter seriously before additional loss of life.
