Sky Whisper Productions' "Unholy" Movie Begins Production In New York

Features "Buffy" star Nicholas Brendon and "Carnivale" star Adrienne Barbeau.

For Immediate Release

NEW YORK, N.Y./EWorldWire/Jan. 26, 2005 --- "Unholy," a new feature length thriller starring Adrienne Barbeau (Escape from New York, The Fog, Carnivale) and Nicholas Brendon (Psycho Beach Party, Buffy The Vampire Slayer) has begun shooting in Queens, N.Y., this past weekend. Under the directorial eye of Daryl Goldberg, and penmanship of Samuel Stephen Freeman, "Unholy" is the first in-house feature for Sky Whisper Productions. Sky Whisper Productions served as an associate producer on "Zombie Honeymoon" which is currently on the festival circuit. Joshua Blumenfeld and Freeman are Sky Whisper's executive producers.

The film deals with a grieving mother, Martha (Barbeau), trying to uncover the terrifying secret that is jeopardizing her family. Along with her son (Brendon), Martha becomes entwined in a conspiracy involving a fabled witch, Nazi occultists and the U.S. government. The film is inspired by an actual military document found discussing elements of Nazi witchcraft that were smuggled into small town Pennsylvania following World War II by the U.S. administration.

"We are thrilled to have actors of the caliber of Adrienne and Nicholas on Sky Whisper Productions' first feature film," said Blumenfeld, Sky Whisper CEO and "Unholy" executive producer.

"Both stars have extraordinary followings and for good reason. I believe that this production will contain one of the best performances audiences have ever seen from both of these actors. There is already extraordinary buzz surrounding this film on dozens of Web sites, and we are confident that it will likely be one of the most successful horror films of the year."

"I believe that this terrifying and unusual tale, along with cult genre icons such as Barbeau and Brendon, is sure to guarantee a creation like none other," said Freeman, scriptwriter and co-executive producer on "Unholy." "There has never been a genre film like this before. Audiences will leave the theater scathed."
