

Control Scan Certifies ProflexSports.com As Safe Shopping Site

In an effort to increase its Internet security, ProflexSports.com, the leading retailer of bodybuilding and fitness products today announced that it has become certified by ControlScan.

For Immediate Release

MARIETTA, Ga./EWORLDWIRE/March 29, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, ProflexSports hired ControlScan and subscribed to the Business Secure Plan. Through its unique process, ControlScan will conduct security tests and audits of ProflexSports.com and certify the site's security.

"Privacy and security are the main concerns of consumers," said ControlScan President and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Business Secure Plan, ProflexSports.com's visitors are reassured that this company is committed to protecting its personal and credit card information and provide a safe online shopping experience."
