

ControlScan Certifies Outdoorpowerparts.com As A Safe Shopping Site

In an effort to increase its Internet security, Outdoorpowerparts.com, a leading online supplier of outdoor power equipment parts, today announced that it has become certified by ControlScan.

For Immediate Release

MARIETTA, Ga./EWORLDWIRE/April 11, 2006 --- As a measure to increase privacy and security and to prevent hackers and thieves from accessing sensitive information from its customers, Outdoor Power Parts hired ControlScan and subscribed to the Business Secure Plan. Through its unique process, ControlScan will conduct security tests and audits of Outdoor Power Parts and certify the site's security.

"Privacy and security are the main concerns of consumers," says ControlScan President and CEO Richard Stanton. "Consumers want to do business with companies who take privacy and security seriously. By passing the audits associated with the Business Secure Plan, Outdoorpowerparts.com's visitors are reassured that this company is committed to protecting their personal and credit card information and providing a safe online shopping experience."

About Outdoor Power Parts

Outdoorpowerparts.com provides a broad range of residential and commercial outdoor power equipment parts from air filters to tires and wheels at discounted pricing and savings up to 75 percent. Its XHT lawn mower blades and Predator mulching blades offer both residential and commercial customers a premium lawn mower blade that is more durable than conventional blades by as much as 40 percent.

About ControlScan

ControlScan provides third party verification and services to identify, measure and prioritize security, privacy, quality, accessibility and compliance risks that exist on corporate web properties. Its solutions provide the visibility and control necessary to evaluate a company's Web property risk exposure, and to put processes and procedures in place to effectively implement online governance strategies.
